

Board Value Statement:

Integrity leads us through an ethical, positive and healthy path to our success. We are committed to integrity in all that we do, always and everywhere.

Teamwork is the essence of our ability to succeed for our students, teachers and administration

Our overriding loyalty is to the good of the whole organization. We learn from each other and share our skills and resources across organizational boundaries

Respect for every individual, contributes to our growth and development. We draw strength from equal opportunity and diversity. We value, and benefit from the individuality of students and staff.

Professionalism is our nature, our style, and our character. We are committed to the highest standards. We pursue innovation, deploy imagination, and welcome new ideas. We act decisively and consistently. We are determined to deliver the outstanding quality and educational experience that will provide the essential educational foundation for our students' success.

Denville Board of Education
